

Rotary International - District 1070 Central England Cultural Youth Exchange Camp 2026

LIVE ENGLAND !

FORGE GLOBAL FRIENDSHIPS !

SHARE YOUR WORLD !

The Central England Cultural Youth Exchange Camp is a ten-day immersive experience designed for curious, open-minded young adults who want to experience England beyond the surface.

This is not a standard sightseeing trip. It is a shared cultural journey. You will blend history, nature, city life, conversation, and connection, alongside a small group of peers.

This camp brings together just **8 participants from 8 different countries**. This intimate size is deliberate as it creates an environment where meaningful friendships form quickly, conversations go deep, and every experience is truly shared.

This camp is designed to:

- **Encourage true cultural exchange** through lived experiences.
- **Explore England's layers its history, landscapes, and modern identity** as an active explorer.
- **Build your confidence, independence, and global awareness** in a supportive setting.
- **Create lasting friendships** that become your global network.

The Heart of The Exchange

At the heart of the exchange is people and connections. The small group size guarantees you won't be a face in the crowd. It allows for **real connection, strong bonds, and a sense of belonging from the very first day.**

WHAT YOU WILL EXPERIENCE !

Over ten days, you will experience England through movement, stories, and shared discovery. **This is learning by being there**, history and culture experienced together. Your shared adventure will include:

- **Canal Journeys:** Glide through beautiful countryside and historic towns by water. The slow pace is perfect for conversation and bonding with your new friends.
- **Castles & Estates:** Walk in the footsteps of kings and queens. Explore historic sites of power and conflict.
- **Ancient Cathedrals & Heritage:** Stand in spaces that have shaped England for centuries, feeling the weight and wonder of history.
